CALLING ALL PILOTS!!!!

STARLIGHT FOUNDATION - CHILDRENS FUN DAY

Thursday 16 August 2012

Can you spare the time and your aeroplane to fly children on the above day?? These children are from Cancer/Leukaemia wards of Hospitals across the South and the plan is to give them a memorable day out. Those of you who have helped in the past will know what a worthwhile & memorable day this is. Quite apart from pilots and their aeroplanes, we also need lots of folk to help on the ground with all sorts of duties. Please see Dick for full information. In any case, please add your details below and send back to Popham Airfield.

Incidentally, those with aircraft must have passenger liability insurance and photocopied proof of this must be made available before the event.
